

FASCIAL MANIPULATION® CERTIFICATION (FMC®)

Fascial Manipulation® Certification is an opportunity offered to all the professionals who have the prerequisites to request it.

Fascial Manipulation® Certification **has become a necessity** for:

- protect the professionals of the “Fascial Manipulation® /Stecco®” method, who use it correctly;
- offer patients the method in its various applications;
- defend the verbal and figurative mark of the method, deposited nationally and internationally, from abuses.

Fascial Manipulation® Certification (FMC®) allows the professional to:

- use the title of “CERTIFIED FASCIAL MANIPULATION® SPECIALIST”;
- appear on the official on-line list of “[Certified Fascial Manipulation® Specialist](#)”, published on the website to be contacted by patients;
- be a contact person in your region for requests for Fascial Manipulation treatments via social media and other communication tools;
- use the word mark of Fascial Manipulation® / Manipulation of the face® / Fascial Manipulation® / Stecco® and the figurative mark , on one's letterhead, local signs, business cards and brochures for promotional use;
- be periodically updated free of charge, through the [CERTIFIED SPECIALISTS INTERNATIONAL](#) on-line page, where the *Wednesday Webinars* recordings and the pdf of the articles concerning the fascia and Fascial Manipulation® will be available;
- benefit from a 10% discount for enrollment in the Fascial Manipulation® events.

OBJECTIVES of the FMC®

The objectives of the Fascial Manipulation® (CMF®) Certification are:

- add value to the professional who has completed the entire training course (1st-2nd-3rd-4th level), reaching the optimal standards of the method;
- ensure patients that the treatment offered by the Certified Fascial Manipulation® Specialist correctly follows the basics of Luigi Stecco, founder method, in its various applications;
- protect the image of the method itself, allowing the relative verbal mark (Fascial Manipulation®/Facial Manipulation®/Fascial Manipulation®/Stecco®) and figurative mark to be used only by professionals who are entitled to it.

PREREQUISITES to ask the FMC®

The Fascial Manipulation Certification® examination can be requested by doctor and physiotherapist who have:

- completed the I- II- III-IV Level courses of Fascial Manipulation (or the old III level also including the systems and the superficial fascia);
- used the method for about one year from the achievement of the 4^o level certificate.
